**Celeste Jason**

December 30, 1958 - September 9, 2024

Dear friends ~

Celeste passed peacefully Sept 9th at 9:09pm. She is held in vigil and prayer..

"Her body ends but her presence glows

We thank you for her many gifts

With deep gratitude for her radiant energy,

her ongoing care of us, her wisdom and willingness, her mentorship and curiosity  
and love

We let her go

Back into divine light

Back into love and formless flight

We let her go

Thank you to all she touched and were touched by her

Much love to all

Deepest bows to you dear Celeste"

Ommmmm

Shanti Shanti Shanti

All love
