Tribute from Elaine M. Head

Relation: We were customers at the book store

Dear Betty and Family

Bruce and I remember fondly our conversations with you and Rick at Volume 11. Rick always had a tale to tell of adventures on land and at sea, and often could add a little "inside" story to the title we had chosen.

We have missed seeing you and send our condolences.

Tribute from Melissa Grace Kodaly

Relation: Friend

Betty!! And all your family, deepest condolences to you all. Rick was a beautiful man, and will be remembered long and well, with great affection and respect in our family. As friend to Vincent, and to Chris, he was outstanding. Words can't express, but here we try anyway. From Melissa Grace and Chris Kodaly

And a big virtual hug to you, Betty,, from me, Melissa
