

## REMEMBERING

# Doris Irene Little

July 23, 1944 - June 14, 2023

Doris Little has won her battle with cancer and has gone to meet her loving Father in Heaven. Family is relieved that her tough battle is over and that there's no more suffering or pain. However, we do want to celebrate an amazing wife, sister, mother, grandma, great-grandma and friend to so many. You can honour her by attending her service at the Community Gospel Chapel on Salt Spring Island; June 24/2023 at 1:00 pm. In lieu of flowers, we'd prefer donations to be made to the wonderful Lady Minto Palliative Care Unit.
