

**REMEMBERING**  
**Edythe Folliet**

November 10, 1932 - June 30, 2021

Edythe Mildred Folliet

Our dear mother passed away in her sleep in the early hours of June 30, 2021.

Edy, as she was known to all, was 88 years old and lived a very full and interesting life. Mom was a wife and mother, a singer, a song writer and an amazing baker to name but a few of her talents. She was fiercely independent and faced many challenges in her life. Her stoic approach to life's unexpected turns made her a role model, second to none. Possessing the kindest of souls, an indomitable spirit and the ability to laugh every day, she left an indelible stamp on the lives of all who knew her.

Edythe Mildred Folliet is survived by her children, Janis Woode, Wendy Dallian and Victor Wasend, her siblings Hazel and Mae and three grand children, Andrew, Michael and Ellis.

A special thank you to Dr Ian Gummesson and all the staff at Greenwood's for the kind and gentle care you showed Mom over the years.

We all love you Mom. Truly, you will be missed.

A celebration of life will be held at a later date.
