Tribute from Jenny Collver

Relation: Caregiver/companion/friend

I will miss my weekly visits to George and Josephine's beautiful seaside home on Saltspring Island.As a caregiver/companion to George,0ver 3 years,I enjoyed his company,and appreciated his humour.I grew close to Josephine and admired her devotion to her beloved George. She cooked wonderful meals for him every day,and sometimes included me as a guest.She made sure that he had the best care,employing a regular physio, who worked with George at home,and tending to all his medical needs,determined to keep him in the home he loved. Because the care of elders is my profession,I have seen many families who do their best, but Josephine was incredibly devoted and always put George's needs before her own. I am glad that I had a chance to spend time with George and Josephine in George's last years, and to have had the experience of knowing. them.
