

REMEMBERING
Harold James Bradford (Harry)

February 15, 1948 - March 28, 2025

Following a short battle with cancer Harry passed away peacefully on Friday the 28th of March, the date and time of his choosing. At his side when he passed were Linda, his soul mate and partner for nearly five decades, daughter Kelly, son Simon and daughter in law Danielle. His two beloved little grandchildren were in his heart although they could not be with him to hold his hand.

Harry was born in Maidstone U.K. and served nearly 23 years as a police sergeant in Kent Police, earning several commendations for bravery. He was well respected by those who served with him, many of whom remain close friends to this day.

The family emigrated to Canada in 1990, living in Manotick, Ontario for 22 years, where Harry built houses and the local veterinary clinic before becoming a home inspector. He taught many courses for the professional association of home inspectors in Ontario and BC and will be remembered as a home inspector here on the Island where we made our home in 2012. Up until the time of his passing, Harry was chairman of the Professional Insurance Program for the BC Home Inspection Association.

Harry was always the first to lend a helping hand wherever needed. He was an amazing cook, author and regular debater of world affairs over breakfast at The Treehouse with his dear friend Scott. A loving partner, beloved father and grandfather who will be forever remembered by family, friends and his special canine girl, Miya.
