Kai, his music and spirit will be missed.

Tribute from Anne Parkinson

Relation: His oldest daughter and I were friends before I met Kai and family

Kai's energy and enthusiasm for life will be very missed. A gem, a ray of light and a true humanist. I appreciated his truth and honesty.....and such an imp! Pan has nothing on Kai. His spirit will always be around us. Love to his family. He has left behind some wonderful people in the generations that are following behind him.

Tribute from Susan Beaubier

Relation: Friends

To all of Kai's family - Kai was an extraordinary man who did extraordinary things and amazed many of us. His energy and enthusiasm for everything around him was remarkable. Our life is richer for having known Kai and to be your friends. Our sincerest condolences. Susan and Hiram
