Tribute from Salima Carolyn

Dear family of Kathleen Amina, I am very moved by the write up of her life and send you my good thoughts. I didn't know her. The story is I ordered a used book, Spiritual Walk and Dance. In it was the name Amina Kathleen. I think this was her book (if it wasn't it still led me to her life memories posted here which are wonderful). She and I would have been friends. We both have been in helping professions. And mostly I found a kindred spirit who pressed a leaf and an newspaper article about Dances in her book. I will treasure these. I thought you'd like to know that the book made its way to Kansas. I live just across the state line from Kansas City. I wanted a copy of this book as a young, new Dance leader will be given it by me to use and grow with. She is one of mainstays of an intentional urban service community here. So Kathleen Amina's legacy will live on thru them and me in continuing the joy I see in the smile in her picture. Thank you so much for connecting us. If you want to see more or connect I am Salima Carolyn DeMots. You can find me on Facebook or at footontheath@gmail.com. I am part of the Shining Heart Community here. To see who the book went to and read about their service you can look online for Jessie Schiele at Jerusalem Farm, Kansas City Missouri. I send Blessings and heart peace to you all. Much love, Salima
