Relation: Friend

Having you as my friend made such a difference in my life...I'll miss you

Tribute from James Steenson

Relation: Motorcycle Safety Program

I had the opportunity to teach motorcycle safety with Lee from time to time. He was a good and honorable man and a great mentor. My sincerest condolences and I will definitely be "raising a pint" in his honor.

Tribute from Brett Wallick

Relation: Friend

I have great memories of knowing Lee (and Bev) from my years living in Seattle, and then years later I was thrilled to show them around my adopted hometown of Barcelona Spain when they visited in 2018. (This photo is from that visit, and a favourite brew pub.) Lee truly was a gem of a guy, so affable and always a good hang. Much love to Bev, his family, and loved ones.

Tribute from Linda Horosko

Relation: Colleague / friend for 50+ years

Lee and I were colleagues and friends for over 50 years as we were in the same intake training program at the Saskatchewan Government Systems Centre in the summer of 1973. It has been many years since we've visited in person as work and family took both of us to many places in Canada and the US but we've always kept in touch. Lee was a special person who will be much missed. Bev, Andy and I send our deepest condolences.

Tribute from Jacqueline Marie-Jose Kemp

Relation: Family connection, my Mother was a Kaslander from Belgium, my grandfather Albert Kaslander originally from Holland.m

Sending love, and may happy memories prevail soon. So nice that our family got to know another (lovely) Kaslander family, albeit a few miles away! You, Bev and your family are in our thoughts and we send our love. Jackie

Tribute from Hunter Buskermolen

Relation: Cousin's husband

Bev and Family,

I am sorry to hear the loss of Lee. May God watch over you through this troubling time.

Tribute from Rachel Barcellos

Relation: Motorcycle Safety Training and Friend!

Lee inspired so many and set an example of excellence. I shared his passion for teaching, becoming a motorcycle instructor with him was an experience I treasure. I always looked forward to his annual visits, working together and enjoying his company and conversation. He is missed and my heart goes out to Bev and his family.
