Tribute from Paula Harris

Relation: Friend

Hello Denis - I just recently found out about Len's passing and wish to send my sincere condolences. I met Len at the Banff School writing program in 1977. We quickly formed a friendship, along with Randy Cloak. He was such a talented writer. I have to confess that we became close, and dare I say, we loved each other. I will never forget him and will continue to hear his deep heartfelt chuckle. Not sure if you remember, but we met in my apt. on 14th Street in Calgary on a very cold and stormy winter evening. I have a lovely photo of Len, Randy, and me taken at the Banff school. You can barely see me as I am between the two men who tower over me. I will treasure it always. Sincerely, Paula Harris
