Relation: Guelph friends

So very sad to learn of the death of Lois, it has been many years since our Guelph days but you both were an important part of our life at the university and within the Guelph faculty family. We are thinking of you at this sad time John. As ever, Gerry and Liz Mackie.

Tribute from John Buttars

Relation: Guelph friends

John and family, I was saddened to read today of the death of Lois. Belssings to you and your family in this time of sorrow, especially when we are being asked to keep physical distance one from another. May there be an abundance of social support for you and each one in your family. John Buttars (former minister of Harcourt Memorial United Church, your backyard neighbour during your Guelph years)

Tribute from Pat Ganning

Relation: Retired colleague and Christmas card friend

My sincere condolences to you, John, and your family. I have many fond memories of Lois dating back to our teaching days at John McCrae and F.A. Hamilton Schools. She was a remarkable lady, full of enthusiasm, knowledge, wisdom and wit. I want to think that this world is a better place

because of Lois!

Tribute from Ren Ferguson

I am saddened to hear of the loss of Lois. My condolences to John and family. I didn't get to know Lois unfortunately but enjoyed talking with her whenever we crossed paths. She was clearly a real spark of an individual. I will always remember her telling me that she was a real S.O.B. I was a little shocked until she laughingly said - that means a Spouse Of Birder!

Tribute from Sheralyn Nicholson

I was sorry to hear of your loss. I am a former student from Ottawa Crescent. Lois was a great teacher and I had a undying love for her.
