Relation: Friends

Dear Anne and Aidan

Your lovely mother/grandmother was a long-time special friend who will live on in our memory through the snowdrops in our garden and the pottery in our kitchen. She worked with Ted at Soup's On for years, and she and I shared our gardening passion. We've made a donation to the SPCA to honour her.

Tribute from Teresa Celuszak

Relation: Dedicated client

So sorry for your loss. Just found this news today, when searching Meg Buckley pottery. Meg created some gorgeous dinner plates for me, when I moved here 34 years ago, new to Victoria from Toronto. On a visit to Saltspiring, I had eyed her beautiful tea set and didn't have my credit card and she told me to send her a cheque, trusting me. It touched my heart and I was just sharing this story last week. Her kindness and warmth was only complemented by her talent. I always feel food brings people together and I am happy to state her passion and warmth continues to spread with the meals I share on her dinnerware. I am fortunate to have met her and own these lovely works. Sincerely, Teresa Celuszak
