

REMEMBERING
Margie Anne Korrison
December 26, 1944 - June 1, 2023

Margie Korrison - born Margaret Anne Escher in San Francisco on December 26, 1944 - passed away June 1, 2023, at home with family by her side.

Margie leaves a legacy of love, kindness, grace, tenacity and beauty through her dedication to art and painting, passion for tango, love of gardening, friendships and her beloved family.

Margie was a valued and inspirational member of her cherished Salt Spring Island community for over 50 years. Margie moved to the Island as a teacher in 1968 with then-husband Jon. After adventures to Australia, they made their permanent home on Salt Spring in 1975. At 42 Margie went back to school to study at the Victoria College of Art. A seamstress, choir member, Kindergarten teacher, tango teacher and dancer, founder and member of many groups, avid rose gardener, supporter of the arts, great friend to so many, and amazing mum and Nana; Margie embraced life and all it had to offer.

Margie is survived by her daughters Kirra and Arika; sons-in-law Bruce and Cecil; grandsons Dylan, Kai and Ronan; and sisters Mimi and Liz.

A celebration of life will be held the last weekend of July on Salt Spring.
