**MITCHELL FLEMING**

February 7, 1962 - July 30, 2001

Born in Winnipeg, aged 39, died suddenly on July 30, 2001 in New Westminster, BC with his wife, mother, father, sister and friends at his bedside. He was a beloved husband, father, son brother, nephew, cousin and friend. Cremation and memorial services were held at the Squamish Funeral Chapel on August 2, 2001. Mitchell's death is a profound loss to all of his friends and loved ones. Deeply missed. Always remembered.

You're always with me even when we're apart  
Whenever we're apart and I'm feeling all alone,  
I close my eyes and think of all the happiness we've known,  
And somehow, I feel better then, because I clearly see,  
Since I hold you close within my heart,  
you're always here with me. - Emily Matthews
