
REMEMBERING

Real Laurin

December 8, 1952 - September 28, 2026

It is with great sadness I announce the death of my partner in life Real Laurin. Real and I have been so grateful to call Salt Spring our home for the past 7 years. Some of you may recognize Real as the man who repaired tools at Windsor Plywood, or perhaps you passed him while he was out for one of his walks up Cranberry hill. Real loved living on this island paradise, and when not in his shop, he was happiest enjoying nature whether it be on the ocean kayaking, ebiking, or sitting around a fire sharing a laugh.

Real will be greatly missed by all of his family and friends. The love we shared together is something I will always cherish deeply.

A special thank you to Dr. Gummeson and all of the doctors and nurses at Lady Minto that have assisted us over the past few years. Also to the team at Madrona Integrative Health and Salt Spring Pharmacy. Your care made the hard times a lot brighter.

A celebration of life will be held at a later date and memorial contributions can be made to Lady Minto Hospital.
