Robin Cheryl Lee Fleming

August 16, 1960 - January 20, 2020

It is with heartfelt sorrow that we must declare our sad news that Robin has passed away. Beloved daughter, avid volunteer, and best friend; generous, kind, and loving. Cremation and memorial services were held at the Cowichan Valley Crematorium on February 7, 2020. Robin's death is a profound loss for those of us who came to love her. Deeply missed. Always remembered.

You're always with me even when we're apart. Whenever we're apart and I'm feeling all alone, I close my eyes and think of all the happiness we've known. And somehow, I feel better then because I clearly see. Since I hold you close within my heart, you're always here with me. - Emily Matthews

In Memoriam:

On March 14, 2020, with immense sadness, accompanied by grieving family and friends, we laid our beloved children, Robin & Mitchell, to rest at the St. Mary's Anglican Church Cemetery in the Fulford Valley, Salt Spring Island. Interment services honoring their lives were held by the Reverend Gyllian Davies.
