Sylvia Shannon Senensky

August 4, 1944 - December 15, 2020

With great sadness the family of Sylvia Senensky announces her passing on December 15, 2020, peacefully, at the age of 76.

Sylvia was born in Winnipeg, Manitoba, and was passionate about travel, art, and archetypal mythology.

She spent time living in Israel, Zurich, Guelph, and Toronto before moving to Salt Spring Island with her late husband, Roger Middleton. She traveled extensively throughout Europe, Africa and New Zealand.

Sylvia had a thriving career as a Jungian analyst and gave many lectures and workshops exploring the dark feminine. In 2003 she published Healing and Empowering the Feminine: A Labyrinth Journey.

Sylvia is survived by her sister, Benita, stepdaughter, Tara (Marek) and grandchildren, Avery and Tyler.

Special thanks to the wonderful and caring staff of Lady Minto Hospital Extended Care.

A celebration of life will occur at a future date.
