**Tribute from Dr. Robert Vagners**

Relation: Patient for decades

I share a tear with your family. It was a pleasure to know Bill over the decades. He was always smiling. My fondest memory is an early one when he took me to lunch at The Cricket. On the way out he wrapped a dessert in a napkin - for my staff member Ieva. Always a friendly person to everyone.

**Tribute from Tim Devlin**

Relation: He was my boss

Dear Elaine

We will miss Bill for his great personality and camaraderie. You were great friends with my parents and he helped me get my first job at Philips Electronics driving the Winnebago with huge "desktop" computers! I am sure a lot of his curling friends from the Cricket club will miss him as well. Condolences at this time to you and the kids.

**Tribute from Henry Fischler**

Relation: He was my boss.

I worked with Bill many years ago at Philips. He was a mentor and I think he felt pride in what we accomplished at Filbitron. He was a great guy and a pleasure to work for.

You might remember teaching my wife skating at FH arena.

Warm regards to you and your family.

**Tribute from Bea D'Andrade nee Lewis**

Relation: He was my first boss.

Bill Hume was my first boss at Philips Data Systems. He hired me as his secretary in 1976. He was a kind, warm hearted gentleman who saw potential in me that I never knew existed. I will forever be grateful for the opportunity he gave me to succeed in life. I now have a special angel watching over me.

**Tribute from Rod Perry**

Relation: A great friend of my parents, Bill and Helen Perry

Bill Hume was a great friend of my father, Bill Perry, and my mother Helen. Arguably Bill's actions helped my father start the company I own today Sensyst. My dad was convinced by Bill to leave NCR to join Bill at Philips. For whatever reason, Philips was not the right fit for my dad and he left Philips and ultimately he started Sensyst. My mother and father always spoke highly of Bill and throughly enjoyed seeing him and their longtime friendship. Elaine and family, our sincere condolences, your Bill was a good man.

**Tribute from Gloria Smith**

Relation: Through business at first that then became a friendship.

My friend and I got to know Bill through work when he was a supplier. We were lucky to share many lunches, laughs and posing for our photo to commemorate each get together. We were fortunate to be invited for Christmas lunch at the Curling Club and how we all enjoyed the rum balls. Bill was a warm, giving friend that we always looked forward to spending time with. My heart goes out to hardworking Elaine and their family that he was so proud of. He will be incredibly missed.

**Tribute from Don Thompson**

Relation: Friend

Elaine,

I was very sorry to see Bill's death notice in the Star over the weekend. I much enjoyed meeting him on the two occasions. Fifty-three years is amazing, you had a great life together. All good things.

**Tribute from Michael Cernik**

Relation: Bill taught me how to curl at the Cricket Club

Bill was one of the main reasons I got into curling as much as I did. Bill was the coach of the junior program that I was part of then decided to ruffle feathers by insisting that at 16 I started curling with the adults and never looked back. I still have many of the photos Bill took in those early years of my curling career and am so thankful that it wasn't a digital camera as some of them weren't really fit for printing.

**Tribute from Margaret Manni**

Relation: Friend

Dear Elaine and Family

Bill was such a great friend to myself, Tony and our family. He brought Tony from Montreal to Toronto to work for him at Philips. Once we got here he took us under his wing and we became family.

Michael and Tara have such fond memories of spending time with Bill. Michael still talks about the fishing expeditions he took him on. The Manni family will miss him greatly, however all the wonderful photos he took will put smiles on our faces.

**Tribute from J. E. Michael Rolph**

Relation: Friend and hockey supporter.

Michael, Isabelle & Jamie Rolph send our sincerest sympathies to Elaine, Billy & Mike on learning of the passing of Bill. I first met the family through York Mills hockey in the mid 80's and then at UCC, where the boys played for the Blues. He was a true gentleman who, I know will be missed by all of us who knew him.
